Hello Moors Ladies!

This May I will be offering a **Rookie Ladies Golf Camp** for those who would like to learn the game of golf or to do a “refresh” and continue to grow their golf game.

We will spend time learning the fundamentals, how to hit out of the bunker, chipping, pitching, putting and full swing work on the range.

I promise it will be a great two days of golf and a fun way to meet one another.

Camp will be capped at 12 women.

Please fill out the sign up sheet below and email your information to me directly at [Map7272@gmail.com](mailto:Map7272@gmail.com)
