

From Member **Vicki Hartleb**

What Demo Day did you attend?

Callaway.
They were at the club May 10

What were you hoping to accomplish?

I wanted to be properly fitted for a Driver and Fairway Wood in addition to trying out a rescue club.

What did you enjoy most?

I was limited on the amount of time I could spend at Demo/Fitting. The Callaway Representative, Ken, was very knowledgeable.

Did you learn anything new?

It's always best to try several clubs, listen and gather information on what you need to fit into your personal game.

Did you purchase anything?

I sure did!
I purchased a Driver, Fairway Wood and rescue club!

Would you recommend attending Demo Days to someone else?

Yes! I've always been comfortable with the fitting process. I absolutely encourage taking advantage of Demo Days when they're offered.

Easy to Join. Easy to Love.
