

Titleist®

917 **D2** & **D3** Drivers

The new Titleist 917 D2 & D3 drivers offer increased adjustability and more forgiveness than ever before.

New to the 917 drivers is the Sure-Fit CG weighting. By setting the CG weight to neutral, draw, or fade, the 917 drivers feel like they are custom made to your swing.

For more information, or a fitting, please contact the pro shop staff.
