

THE CATTAIL CLASSIC

Thursday, July 20 - Saturday, July 22

A friendly reminder that next week is The Moors 2017 Cattail Classic, our annual men's member-guest tournament.

The course, clubhouse and Grille Room will not be accessible while this event is taking place. PGA Golf Professionals, Eric Smith and Chris Bathje would love to assist you with arrangements to play different courses. Plan early and talk now with either of these gentlemen at the Golf Shop!

Updates for the tournament will be posted on the club's Facebook page at The Moors Golf Club and you can follow us on Twitter @TheMoorsGolf for updates during the actual Championship Shoot-Out among flight winners.

We appreciate your understanding and support of this special club tournament, now in its 38th year!
